

High-X 100 SHX & SHX- DuFlow Pressure Relief Vents Certification of Compliance

Design Protection

The unique design of the High-X 100 Range and especially the SHX-DuFlow vent has Patent Pending design protection around the world.

Fire Rating Certification

European Approvals

BS EN 1363-1 Fire Rating

No 232889 BRE UK – 2 Hour Integrity
No Chilt/IF10004 – 4 Hour Integrity
No Chilt/IF10030 – 30 min Insulation

BS EN 13501-2 Fire Classification

No Chilt/CF10030 – E60 / EI30
No Chilt/CF10004 – EW120

US Approvals

UL555 & ASTM E 119-08a – 2 hour Integrity

Test Report by Guardian Laboratories USA

Performance Certification

No122084 BRE UK

Tested , Witnessed and Verified Live
Inert Gas and FM200 discharge tested by
The Building Research Establishment (BRE)

Tested Solutions from AFP

The only Third Party Verified Vent on the Market
